Dear fellow TNSPWA professionals,

As per election rules , duly filled in nomination forms along with mandated attachments and non-refundable deposit from 9 professional members were received within 1st August 2021.. Subsequently, one member withdrawn the nomination form on 7th August 2021. With that for each vacant post , only one validated nomination was received (1 EC member post lying vacant)

After due consultation with the Legal advisor, I am happy to announce the results of first ever election of TNSPWA for the following posts without any election (un opposed).

My sincere thanks to each of TNSPWA members for supporting me in conducting free and fair election.

Congratulations to all the winners of this election and best wishes for them to take this wonderful association to greater heights.

(S.Prabakar)
