In line with TNSPWA endeavor to support industry, we release the 'TNSPWA – SAFETY / ESG Excellence Awards 25', an awards event that will celebrate the successes of SAFETY / ESG activities in companies.

Businesses are having a powerful impact on improving sustainability in many ways, from the role their ESG Campaigns are playing in raising sustainability awareness, to how they are designing their products and services to benefit both people and the planet.

To recognize the exemplary performance and valuable contribution by companies in cultivating safe & healthy culture at workplace

This award showcase the best SAFETY/ ESG performance in line with the company Sustainable Development Goals.

## About TNSPWA

### ABOUT THE ASSOCIATION

The Tamilanadu Safety Professionals Welfare Association (TN SPWA) is a non-profit organization founded in 2020. Our mission is to foster collaboration, knowledge sharing, career enrichment, and skills development among safety professionals. We aim to enhance their expertise for the benefit of their careers and to support employers across various industries. TN- SPWA provides education, advocacy, and standards development while promoting the effective exchange of information and experiences among our members.
