## About **TN SPWA** :

The Tamilnadu Safety Professionals Welfare Association (TN SPWA) is a non-profit organization established in 2020. Our mission is to foster collaboration, knowledge sharing, career enrichment, and skills development among safety professionals. We aim to enhance their expertise for the benefit of their careers and to support employers across various industries. TN- SPWA provides education, advocacy, and standards development while promoting the effective exchange of information and experiences among our members

### **Our Mission:**

To effectively exchange information and enhance experiences with an aim to promote awareness, foster collaboration, and develop knowledge, career and skills among the EHS & Sustainability professionals through Education, Advocacy, & Standards development.

### **Our Vision:**

To be a change maker in the Environment, Health & Safety and Sustainability professions by creating a positive perception among industry professionals and Institutions, and making a significant impact on society.

## Key Objectives

### **Unite Safety Professionals:**

- Foster mutual benefits for safety professionals engaged in safety services.

### **Central Information Hub:**

- Serve as a primary agency for gathering and sharing technical information in the safety field.

### **Voice of Safety Professionals:**

- Represent and advocate for the interests of safety professionals.

### **Promote Professional Standards:**

- Actively encourage the highest standards of safety professionalism.

### **Public Education:**

- Inform the public about safety practices to create a safer environment.

### **Raise Social Awareness:**

- Increase awareness about safety issues in the community.

# Awards & Details

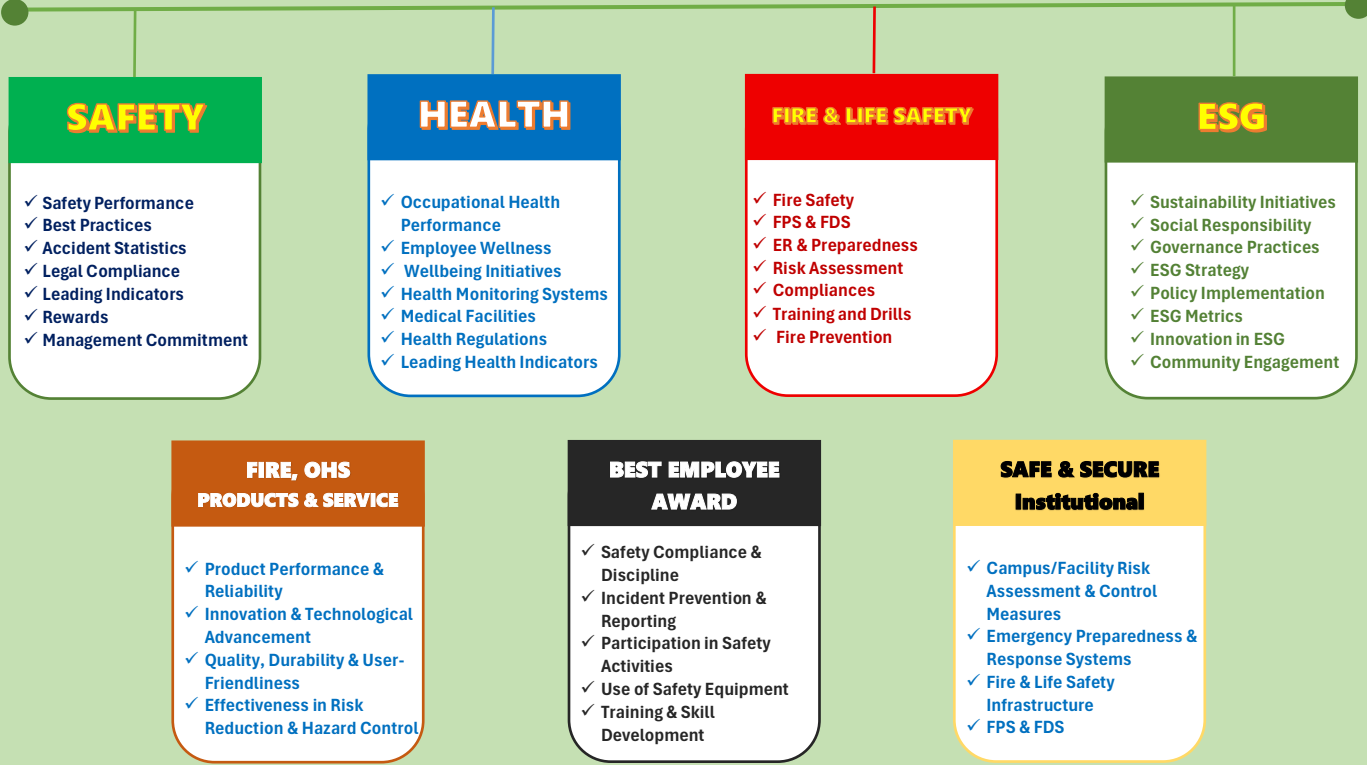

In line with TNSPWA’s commitment to supporting industry, we are pleased to present the ‘TNSPWA – Safety, Health, Fire & ESG Excellence Awards 2026’, a prestigious award dedicated to recognize and celebrate outstanding achievements in Safety, Health, Fire and ESG practices across organizations.

Businesses today play a pivotal role in advancing sustainability—through impactful ESG initiatives that enhance awareness, as well as through the development of products and services that benefit both people and the planet.

These awards aim to honour organizations that demonstrate exemplary performance and significant contributions in fostering a safe, healthy, and sustainable workplace culture.

The awards will showcase best-in-class Safety, Health, Fire and ESG performance, aligned with each organization’s Sustainable Development Goals.
